

# PVC TRIMWELDER™

GET IT TOGETHER™

## PVC NAIL ERASER™

**EXTREME PVC Nail Erasers™** are the easiest way yet to fill brad, staple, and nail holes in PVC Trim Board which will remain unpainted. If the trim is to be painted use **EXTREME PVC TRIMWELDER™ Fast Cure for best results.**

**EXTREME PVC Nail Erasers™** are a special blend of fillers to resist yellowing and have been laboratory tested for hole retention on cellular PVC at 140°F.

To use **EXTREME PVC Nail Erasers™** scrub the tip back and forth over the hole until full.

Wipe clean and flush with a dry cloth or paper towel.

**EXTREME PVC Nail Erasers™** are available in convenient Blister Packs of 24 per box.

They are from Extreme Adhesives, Inc. maker of the original structural adhesives for PVC.

### Shelf Life: 1 Year Minimum
